

Pete Macky Advocacy Award Nominations Requested

In June, 2016, Transitions presented its first Advocacy Award to Pete Macky. Pete richly deserved this recognition for his amazing dedication to the rights of victims in the Susquehanna Valley. He was the best of his time and will remain with us forever through his legacy of caring and commitment to the underserved among us. As an attorney with North Penn Legal Services, Pete was the epitome of a victim advocate, forging the definition of Protection from Abuse laws from their inception in the state of PA. The community tragically lost Pete and Transitions is committed to continuing his legacy of advocacy by naming this award the Pete Macky Advocacy Award. We were deeply honored to have been able to say thank you to him for his passion, his humor and his intellect.
